MEMORANDUM FOR: Associate Deputy Director for Intelligence

FROM:

[REDACTED]
Director of East Asian Analysis

25X1

SUBJECT: Request to Give an Oral Presentation

1. I have been asked by the Office of Public Affairs to make an address to the Annual Convention of Phi Theta Kappa, the national junior college honor society. The address is scheduled for March 23rd at the Washington Hilton Hotel.

2. As I think I mentioned to you this thing backfired on me. I had originally been attempting to help my sister, who is active with this group, in getting a CIA speaker. The Office of Public Affairs and Phi Theta Kappa decided among themselves that I might as well do it myself.

3. The Office of Public Affairs has been very helpful. The subject of the address is to be a broad tutorial on the Central Intelligence Agency and its role within our government. It will be an amalgam of some remarks made by John McMahon to the Los Angeles Council of Foreign Relations and the address prepared by [REDACTED] for Bob Gates last June on the role of CIA in the formulation and conduct of US policy. Needless to say, I will utterly avoid sensitive subjects [REDACTED] In addition, I thought I might as well take advantage of this opportunity to market the DI as an attractive place to work.

4. I will of course be identified as an Agency official and the Office of Public Affairs has submitted a sanitized biography to the Phi Theta Kappa for their use in advertising the address.
